

EXPLORE YOUR ANYWHERE!
COMING TO FLORENCE COUNTY
SUMMER 2016

ITEAMS XTREME, GSSM's premier summer day camp for rising 7th and 8th graders, challenges students to create their own product using the latest technologies. Ideas are presented in a shark tank-style review to real-world entrepreneurs.

XTREME FACTS

Technologies introduced: OpenSCAD, SnapSCAD, App Inventor, Kodu, and Makey Makey

GSSM hires local teachers and GSSM alumni participate as assistants and role models

Students are selected based on grades and interest
